

DIGITS

```
graph TD; A[DIGITS] --> B[CAFFE]; B --> C[cuDNN]; C --> D[GPU];
```

A vertical flowchart illustrating a deep learning pipeline. It starts with a light blue rounded rectangle labeled 'DIGITS'. A solid black arrow points down to a white rounded rectangle labeled 'CAFFE'. Another solid black arrow points down from 'CAFFE' to a dashed black rounded rectangle labeled 'cuDNN'. A final solid black arrow points down from 'cuDNN' to a white rounded rectangle labeled 'GPU'.

CAFFE

cuDNN

GPU
